

H.A.N.G: Pre-Teen & Teen Hiking Group - Chilliwack

Join us weekly as we explore Chilliwack's beautiful nature!

Our H.A.N.G group is a way for teens and/or adults to build peer relationships in a safe and active environment.

Combining social groups, weekly exercise and an interest for the outdoors, we will be exploring everything from the Vedder River Trail to Chilliwack's best hikes.

As a group we will take the first meeting to really assess what everyone's goals are for this group. Is the majority wanting to socialize and make new connections? Are certain teens/adults wanting to set physical goals for our walks?

We will also chart our own path of planning, as each person will have their own unique goals and we will execute our plan to gradually increase difficulty in our adventures both physically with our activity but also socially as we motivate and encourage each person to build relationships while participating in each activity.
