

H.A.N.G ONLINE: Minecraft Group

MINECRAFT

Join us as we venture into the world of MINECRAFT!

Pivot Point's customized and private Minecraft server hosts building competitions, learning nights, supervised free play, and all sorts of fun adventures!

Learn to use Redstone to code "electric circuits" and to perform logic tasks. Let your creativity flow during Build Challenges and fun games.

Hosted by our staff, our world is full of activities and scheduled events to try out! All that it requires is a computer, internet access, and a microphone! Set up and training provided.

Group Duration: 12 weeks

Pivot Point Online Services

Pivot Point offers a wide range of interactive online services for young children, youth and teens, adults and caregivers. Most online groups are limited to FIVE participants with 1 or 2 staff members. This ensures each person receives ample individual attention, while being part of an active group.
