

H.A.N.G. Eco Adventures

Eco Adventures is a weekly program for youth where participants explore different locations and outdoor activities around their community within our unique social skill building process.

H.A.N.G. Eco Adventures, leverage community parks, beaches, streams, hikes, and other locations along with a shared interest in the outdoors, to create safe opportunities for participants to make friends and practice their social skills.

Each participant is working towards their own individualized social skill goals, but within a fun group environment that keeps moving and keeps conversations light and easy.

Helping Adolescents/Adults Network & Grow

Our H.A.N.G. style groups are designed to be fun social environments where teen and adult peers with Diverse Abilities get together (in-person or online) to network with others who share common interests. Each session of any “H.A.N.G.” styled group includes structured greeting activities, group activity planning, gentle in-the-moment coaching, and feedback on observed and emerging social skill dynamics.
