Minecraft Group

MINECRAFT

Join us as we venture into the world of MINECRAFT!

Pivot Point's customized and private Minecraft server hosts building competitions, learning nights, supervised free play, and all sorts of fun adventures!

Learn to use Redstone to code "electric circuits" and to perform logic tasks. Let your creativity flow during Build Challenges and fun games.

Hosted by our staff, our world is full of activities and scheduled events to try out! All that it is required is a Windows 10 (Bedrock) version of Minecraft, Internet access, and a Microphone.

Cost: $400.00
Group Duration: 8 Weeks / 2 Hours per Session

Helping Adolescents/Adults Network & Grow

Our H.A.N.G. style groups are designed to be fun social environments where teen and adult peers with Diverse Abilities get together (in-person or online) to network with others who share common interests. Each session of any "H.A.N.G." styled group includes structured greeting activities, group activity planning, gentle in-the-moment coaching, and feedback on observed and emerging social skill dynamics.
