

DAY CAMP STEAM Challenge

STEAM stands for Science, Technology, Engineering, the Arts & Math.

Our STEAM Challenge Day Camps bring together these five disciplines to create active and inclusive learning opportunities that challenge participants mentally, while inspiring them socially. Building water balloon catapults for a fortress battle royale in the park is a great example.

Each of the other day's adventures are just as engaging, requiring group problem solving, team work, and individual exploration designed to bring out the strengths and sense of adventure in each participant!

Cost: \$500.00 / 1 Week (9am - 3pm)
