

ABA Behaviour Interventionist /Child Care Worker Job Posting

Pivot Point specializes in *intensive therapeutic interventions* for children, teens and adults with Autism and other special needs, enhancing their success at home, school and in the community.

Nature and Scope of Work

Behaviour Interventionists & Child Care Workers serve as 'behaviour therapists', working one-on-one with individuals with Autism and other developmental disabilities. They implement client specific *Applied Behaviour Analysis (ABA)* intervention strategies that are developed by a team of specialists.

You will work in the client's home, independently implementing the one-to-one behaviour programs, helping your clients achieve their stated goals. You will be accountable to your clients, multi-disciplinary team and Regional Manager.

Work is done in client homes so a reliable vehicle is necessary.

You will work with the same clients for an extended period of time, so we request a one-year commitment.

Qualifications

We are looking for candidates with:

- At least 3 months experience (volunteer, practicum or paid) working with special needs populations (preferably autism but work with other disorders is also strongly considered)
- Post-secondary education in a related area of study such as: Disability and Applied Behaviour Analysis, Special Education Assistant, Child & Youth Care, Early Childhood Education, Psychology or Social Work, Community Support Worker, etc.
- Ability to set boundaries with compassion and consistency
- Dependability & consistency in attending sessions
- Basic computer skills
- Flexible schedule

You **MUST** be able to provide the following:

- Proof that you are over 19 years old
- Willingness to complete a Criminal Record Check
- Willingness to obtain Emergency First Aid/CPR
- Willingness and ability to successfully complete NVCPI training directly through Pivot Point
- Have a reliable vehicle
- Have a valid Driver's License
- Have a clean driving record (Driver's Abstract will be required)

Benefits to You

This is a great starting opportunity for those wanting to pursue a career in Behavioural Consulting, *Applied Behaviour Analysis (ABA)* Therapy, Occupational Therapy or any related field. Benefits include:

- ABA Behaviour Intervention training
- Non-Violent Crisis Prevention & Intervention (NVCPI) training
- Flexible schedule (part-time, self-scheduling position)

Rate of pay starts at \$17.00 - \$21.00 per hour
