

H.A.N.G Gamers & Actors Unite!

The Gamers & Actors H.A.N.G group is all about imagination!

Each week we integrate themes from Dungeons and Dragons, Minecraft and other age appropriate adventure series into real life activities, where participants develop a story and act out the plot, or play out their choices on a game board. This group uses improv (theater sports), role playing, and small group presentation opportunities to inspire self confidence, creative self expression, group problem solving and peer group development.

Group Duration: 4 Weeks / 4 Hours per Session
Cost: \$400.00

Ages 8-14

Helping Adolescents/Adults Network & Grow

Our H.A.N.G. style groups are designed to be fun social environments where teen and adult peers with Diverse Abilities get together (in-person or online) to network with others who share common interests. Each session of any “H.A.N.G.” styled group includes structured greeting activities, group activity planning, gentle in-the-moment coaching, and feedback on observed and emerging social skill dynamics.
