

DAY CAMP

Preschool Readiness!

Many families face challenges in getting their children ready for the transition into preschool! Our day camp provides a fun and secure space for young children to explore the classroom environment and learn the basics of routine and structure. Activities include interactive circle times, engaging story sessions, and creative group play. Held at our established Community Classroom sites throughout BC, our Preschool Readiness Camps introduce children to early learning concepts through playful activities with letters, numbers, and social interactions.

We foster a love for learning while helping children gain the confidence needed for a smooth transition into preschool or other early education settings in September.
