

DAY CAMP

Eco Adventures

Eco Adventures Day Camp offers a fun outdoor pursuit each day of the week! Participants will explore different locations and activities throughout their community in our small-group social skill building process.

Each day, two staff meet the group of participants at the location for that day's adventure. They plan out the activity together, embark, break for lunch & continue/return to the pick up site by mid afternoon.

Whether hiking, adventure/challenge gaming, or exploring... each day will increase their mindfulness in nature, as well as their social skills, while exploring parks, beaches, streams, hikes, geo-caching and other challenging activities that deepen their love of the outdoors!

Group Duration (Based on Community)

4-Week Program: 1 session per week, 9 AM - 1 PM | Cost: \$400
